

innovation by developing a European Procurer  
Networking for security research services

## Ethics, Sustainability and Policy Group Led by the French Ministry of Interior

### Responsible, honest and transparent public procurement

- For procurers, ethics and deontology experts, legal experts, policy makers, and interested practitioners in the security forces
- Analyse and compare ethics regulations and laws in Europe
- To identify tools for ethical and sustainable procurement in the security sector
- To offer a framework for identification and prevention of risky procedures
- Map risks and opportunities

### Benefits

#### Expand your Network

Access the ecosystem of professionals in your field, discuss via our forum, private messages and much more

#### Learn Together

Free workshops, webinar and events for peer-learning

#### Build Knowledge

Share and access resources to build the guidelines and knowledge base for better practices

#### Pave the way

Countries that have found common needs are ready to procure together or implement solutions
