

innovation by developing a European Procurer
Networking for security research services

Law and Regulations Group Led by the University of Tartu

Overcoming regulation and policies obstacles

- For legal and policy experts who service public procurement
- To support overcoming difficulties caused by differences in transposition of EU law
- To identify main legal obstacles to JCBPP and propose enabling solutions
- To prepare guidance, recommendations and policy briefs
- To support the procurers in the community

Benefits

Expand your Network

Access the ecosystem of professionals in your field, discuss via our forum, private messages and much more

Learn Together

Free workshops, webinar and events for peer-learning

Build Knowledge

Share and access resources to build the guidelines and knowledge base for better practices

Pave the way

Countries that have found common needs are ready to procure together or implement solutions
