TOOLBOX: WHAT WE AIM TO PROVIDE USERS WITH

Understanding PP as a **strategic tool** to deliver **better outcomes & solutions** for specific **challenges & unmet needs**

Proposals of **how** JCB & Innovation procurement can be **applied** in specific **security sector**

Practical advice on how to **initiate** and **manage** JP and IP procurements

Specific **Joint Procurement role & benefits** for the **security sector**

How **challenges** and **features** of JP and IP **approaches** in security can be addressed

TOOLBOX FINAL PURPOSES

The Toolbox intends to:

- **Guide** the users through an easy way to understand the benefits and the framework of cross-border COTS & innovation procurement
- **Incentivize** the use of innovation procedures, expressing its importance as instruments to accomplish unmet needs and public policies.

The Toolbox is now open to European procurers as an ongoing tool until its final release in 30 April 2024

TOOLBOX DEMO
