

 iProcureNet Webinar

Managing IPR in public procurement

Striking the balance:
How can IPR be managed to
achieve the best outcomes for
the buyer, the provider and
society?

Join our lunch time webinar for a look at
intellectual property (IP) in public
procurement.

Let's learn together about IP as a concept,
as a definition and its place in the public
procurement framework.

21 FEB 2023 • 12PM TO 13.15 CET
