

innovation by developing a European Procurer
Networking for security research services

Disaster Resilient Societies

Led by International Security and Emergency Management Institute

React to crisis problems in real time together

- For civil protection, fire & rescue services and other responders
- Focus on crisis management of environmental disasters, man-made accidents, catastrophes, and their impact(s)
- Discover innovations in the field
- Discuss and compare procurement needs, trends and best practices
- Establish potential buyers group with other countries
- Prepare potential joint procurement

Benefits

Expand your Network

Access the ecosystem of professionals in your field, discuss via our forum, private messages and much more

Learn Together

Free workshops, webinar and events for peer-learning

Build Knowledge

Share and access resources to build the guidelines and knowledge base for better practices

Pave the way

Countries that have found common needs are ready to procure together or implement solutions
